NEAL HEATON 44

AGE: 25, born March 3, 1960 at Jamaica, NY
POSITION: Pitcher
BATS: Left **THROWS:** Left
HEIGHT: 6-1 **WEIGHT:** 205
MAJOR LEAGUE SERVICE: 3 + 032
CONTRACT STATUS: Signed thru '86

ACQUIRED: Tribe's #2 selection in the June 1981 draft . . . Signed by Leon Hamilton.

MINOR LEAGUES: Has appeared in just 40 games as a minor leaguer . . . Began at AA Chattanooga in 1981 and started '82 at AAA Charleston . . . Was 10-5 w/a 4.01 ERA in 29 starts for the AAA Charlies . . . Led the Charlies in CGs (5), SHO (2), and Ks (105).

MAJOR LEAGUES: 1985: Suffered the most frustrating season of his three-year career in 1985 . . . Started with a 3-3 record and solid 2.44 ERA in his first 9 efforts (8 starts) . . . Did not allow more than 3 runs in any one game during that span, but the Tribe offense had not yet begun to roll (scored just 2.2 runs per game for Neal in that stretch) . . . After winning one and losing one, Neal was 4-4 w/a 3.05 ERA thru June 2 . . . He then suffered a six game losing streak that lasted thru July 3rd . . . Came back to have a solid August, going 3-2 w/a 3.45ERA . . . All 3 wins were CG efforts—the first on August 11 vs. Detroit, a 7-2 win over Randy O'Neal (11H, 2R/1ER, 1BB and a single-game high 10 Ks) . . . CG#2 was on 8/21 vs. Toronto, a 5-2 win over Doyle Alexander (6H, 2R/2ER, 6Ks) . . . And CG#3 was on 8/26 vs. Milwaukee, a 4-3 win over Bob Gibson (11H, 3R/3ER, 2K) . . . His 9 wins were tops on the Tribe, as were his 5 CGs (a career best); his 207.2IP (also a career best); and his 82 strikeouts (also a career high).

CAREER HIGHLIGHTS: Had a fine rookie season for the Tribe in 1983 . . . His 11 wins were the most by a Tribe lefthanded rookie since Herb Score won 16 in 1955 . . . His 7 saves were the most by a Tribe rookie since Ray Narleski had 13 in 1954 (Neal matched Lefty Don Mossi's 7 in '54) . . . His 3 SHO were the most by a Tribe rookie since Gene Bearden had 6 in 1948 . . . Won 5 straight in 1983, registering a 1.74 ERA along the way . . . Only Baltimore's Mike Boddicker and the A's Chris Codiroli won more games as a rookie in '83 than Heaton . . . And only Tom Tellmann of Milwaukee posted more saves among the first year big leaguers . . . In 1984, his 12 wins were 2nd on the Tribe to Bert Blyleven . . . His 34 starts were tops . . . Owns 3 three-hitters in his young career.

PERSONAL/MISC: Full name NEAL HEATON . . . Resides in E. Patchogue, NY . . . Married the former Laura Balbo (9/19/81) . . . One Child: Neal, Jr. (7/16/82) . . . HISTORY OF CLEVELAND NAMES

1869 — FOREST CITYS (Cleveland known as the Forest City.)

1889 — SPIDERS (The 1889 Cleveland club was comprised of many tall and skinny players so management decided to accent their features and change the name to Spiders.)

1900 — BLUES (Symbolizing the bright blue uniforms worn by the 1900 team.)

1902 — BRONCHOS (The 1902 Cleveland players didn't like the name Bluebirds and were looking for a more forceful nickname before voting for Bronchos.)

1903 — NAPS (Discarded blue uniforms as a local daily newspaper sponsored a contest and Naps was selected in honor of Napoleon Lajoie.)

1915 — INDIANS (A local daily newspaper ran a contest and the name Indians was suggested by a fan who said he was doing it in honor of an Indian player named Luis Francis Sockalexis, who was known as the Chief — the first American Indian to play in the Major Leagues. He was born in Old Towne, Maine in 1871 and played three seasons in a Cleveland uniform. In 1897, he hit .331. which was his best in the three seasons. The Chief died in 1913.)

CLEVELAND STADIUM ALL-STAR REVIEW

TOP THREE ALL-STAR CROWDS

1 — 72,086 at Cleveland Stadium on August 9, 1981

2 — 69,831 at Cleveland Stadium on July 8, 1935

3 — 68,751 at Cleveland Stadium on July 13,1954

GAME ONE AT CLEVELAND STADIUM — July 8, 1935
American League 4, National League 1

A crowd of 69,831 — the largest throng to see an All-Star Game (until 1981 in Cleveland) — packed the lakefront stadium for just the third mid-summer classic in history. The partial American League crowd was thrilled to a 4-1 junior circuit victory, the A.L.'s 3rd straight All-Star win.

Jimmy Foxx belted a two-run homer in the first inning and the American Leaguers coasted to the win as Vernon Gomez and Mel Harder baffled the National League hitters.

GAME TWO AT CLEVELAND STADIUM — July 13, 1954
American League 11, National League 9

In a spectacular slugfest that set All-Star marks for runs and hits by the two Clubs, the American League edged the National 11-9. The slugfest produced six homeruns, including four by the A.L. The Indians Al Rosen clubbed a pair of homers while he and his Cleveland teammates Bobby Avila and Larry Doby combined for 8 RBIs.

The 1954 contest was a wild, seesaw contest which saw the lead change six times before the A.L. pulled out the 11-9 win with a 3-run rally in the eighth. Ironically, it was Nellie Fox's broken-bat single over second base with the bases loaded in the 8th that provided the margin of victory.

GAME THREE AT CLEVELAND STADIUM — July 9, 1963
National League 5, American League 3

After four years as a double feature, the All-Star Game went to a single performance and saw the National League utilize its speed and gain its first Cleveland Stadium win, 5-3.

Willie Mays was easily the game's outstanding performer, going 1-for-3 with 2 RBIs, 2 runs scored, 2 stolen bases, a walk and the game's most scintillating catch. 44,160 fans saw the action.

GAME FOUR AT CLEVELAND STADIUM — August 9, 1981
National League 5, American League 4

An all-time All-Star Game crowd of 72,086 welcomed back baseball from the dreaded player's strike and saw the National League edge the American 5-4. The 72,086 fans gave Cleveland the top three crowds in All-Star History.

Gary Carter clubbed two home runs, including a seventh inning solo shot to put the National Leaguers ahead to stay. Cleveland's Lenny Barker faced just six batters in his 2 innings of work, striking out one.

Magic Number — determine the number of games yet to be played by the division leader, add one, then subtract the number of games ahead in the loss column of the standings from the closest opponent.

Game-Winning RBI — credit a player with the game-winning RBI when he drives home the run which gives his team a lead it never loses.

HOW TO FIGURE

Batting Average — Divide the total number of hits collected by a player by the total number of at bats. Example: Player A is 12-for-40 or .300.

Slugging Percentage — Divide the number of total bases by the total number of at bats. Example: Player A's 12 hits include six singles (6), one double (2), two triples (6) and three home runs (12) for 26 total bases in 40 at bats and a .650 slugging percentage.

Earned Run Average — The total number of earned runs allowed by a pitcher is divided by the total number of innings pitched and then multiplied by nine for his per-game average. Example: Pitcher B has allowed 12 earned runs in 45 innings of work for a 2.40 ERA.

Fielding Average — The sum of putouts and assists is divided by the sum of putouts, assists and errors. Example: Player C has made 16 putouts and 24 assists and two errors. That's 40 putouts and assists divided by 42 chances for a fielding average of .952.

Won-Lost Percentage — Divide the number of victories by the total number of games played. Example: 22 wins and 18 losses produce a winning percentage of .550.

DESIGNATED HITTER RULE

A hitter may be designated to bat for the pitcher in any spot in the batting order in any game without affecting the status of the pitcher. The designated hitter must be selected and be included on the lineup cards presented to the umpire-in-chief prior to the game. Failure to do so precludes the use of a designated hitter for that game.

The designated hitter is "locked" into the batting order but may be removed for a pinch-hitter or pinch-runner, who in turn becomes the designated hitter. The designated hitter, while still in the game, may be used defensively but the pitcher then assumes the batting order of the replaced defensive player, thus terminating the designated hitter role.

The designated hitter is eligible for all American League batting titles.

Final score: Cleveland 3, Philadelphia 0.

NO BALL HAS EVER BEEN HIT INTO THE CENTERFIELD BLEACHERS.

LONGEST BALL hit in the Stadium, it has been determined, was by Indian first baseman Luke Easter on June 23, 1950. The ball landed in the upper deck, Section 4 in right field — a total of 477 feet from home plate. Mickey Mantle, Frank Howard and Rocky Colavito have hit balls that bounced near the bleacher wall in left center field, some 465 feet from home plate.

TOTAL FIELD AREA at the Stadium covers 183,000 square feet, some 3½ acres.

BASEBALL TARPAULIN at the Stadium is a 170-foot nylon square, weighs 2,500 poinds dry and 3,500 pounds when wet.

THE CENTERFIELD SCOREBOARD has complete message capabilities with a total of 20,160 lamps. Its dimensions are 136 feet long by 51 feet high. The lamp matrix, which flashes messages and scores, measures 86 feet by 24 feet. The cost is in the range of $1.5 million.

STADIUM LIGHTING is comprised of 920 metallic halide lamps and fixtures, installed in 1967, and produces in excess of 1,000,000 peak-beam candle power in addition to 398 1,500-watt incandescent units from the old system. Total light output from the Stadium lighting system is equal to light output from 54,857 100-watt household bulbs.

LOGE BOXES were added to the Stadium in time for the 1975 season. There are 84, eight-seat loges and 24 six-seat loges — a total of 108. The loges, located below the facing of the upper deck, are air-conditioned, heated and entirely furnished by the Cleveland Stadium Corporation. There are three different color combinations and art designs for wall paintings. Furniture includes tables, chairs, couch, closed circuit and all-channel color television, refrigerator, restroom and ice service.

TRIBE RADIO

Former Cleveland Indians' left-handed pitching great **HERB SCORE** will share the microphone with **STEVE LAMAR** in their second season together handling the Tribe radio broadcasts.

They will provide commentary for all 162 regular season games and 16 spring training contests heard on **WWWE-AM 1100** — the Indians' 50,000-watt, clear-channel flagship station for the 14th consecutive season. The Tribe's extensive radio network now includes 30 stations spanning five states.

Score, who works for the Tribe in the off-season, began his broadcasting career in 1963 as a color commentator on Indians' telecasts. His legendary fastball helped him gain American League Rookie of the Year honors in 1955, becoming the first of three Tribesmen to do so to date. Herb posted a 16-10 record and a 2.85 ERA in '55, while setting the record for strikeouts in a season by a rookie pitcher with 245, a mark which stood until 1984 when it was broken by the Mets' Dwight Gooden. Score followed up those impressive numbers with a fine 20-9 mark with a 2.53 ERA in 1956. He also struck out 263 in just 249.1 innings of work. Herb was selected to the American League All-Star team in both '55 and '56.

Score concluded his eight-year big league career with a 55-46 mark and a fine 3.36 ERA. He struck out 837 in 858.1 innings pitched.

Herb and his wife Nancy have four children: Judith, Susan, Mary Kay, and David. The Scores reside in Rocky River.

The 39-year-old LaMar came to the Tribe in 1985 after spending the previous three seasons handling play-by-play and color commentary on radio for the New York Mets. He had been teamed in the Met broadcast booth with famed announcer Bob Murphy.

Prior to his stint with the Mets, LaMar was the play-by-play voice of the Carolina League Durham Bulls in 1981.

The Oakland, CA native spent 1979-81 as the morning news anchor on KCBS Radio in San Francisco, where he also co-hosted a sports talk show.

Steve worked in Anchorage, Alaska from 1975-79. He was the Sports and News Director at KYAK Radio from 1975-78. During that time, LaMar also did play-by-play for the Anchorage Glacier Pilots baseball team and the University of Alaska basketball team.

In 1978-79, Steve was the Sports and News Director at KBYR Radio and KTVA Television. He was also the voice of the Anchorage Northern Knights of the Continental Basketball Association.

LaMar is a graduate of Merritt College in Oakland, CA, and currently resides in Alameda, CA.

TRIBE TELEVISION

Three-time Ohio Sportscaster of the Year **JOE TAIT** teams again with **JACK CORRIGAN** in the Indians television broadcast booth for the 1986 season.

WUAB-TV 43, the television home of the Indians, will telecast 60 games in 1986 — 45 road and 15 home.

Tait is back for his 14th season as a Tribe broadcaster, his seventh on television. He was the radio voice of the Indians from 1973-79. During the past off-season, Joe handled radio play-by-play for the NBA Cleveland Cavaliers. His past credits include stints with SportsVision in Chicago, a morning sports anchor spot with a Cleveland radio station, and radio play-by-play for the NBA New Jersey Nets.

Joe and his wife Jean reside in Richfield, Ohio.

A native Clevelander, Corrigan is no stranger to northeast Ohio sports fans. In addition to his work with the Tribe, Jack has handled the play-by-play and color commentary duties for Cleveland Force and Cleveland Cavs telecasts the past three years. He has also been the northern Ohio correspondent for the Entertainment and Sports Programming Network (ESPN) for the past three years.

Jack is a graduate of St. Ignatius High School and Cornell University, and has a master's degree in speech from Kent State University. He and his wife, Lisa, have two children, Megan and Michael, and reside in North Royalton.

BEHIND THE SCENES

JIM WARFIELD, regarded as one of the top trainers in Major League Baseball, is in his 16th season as the Tribe's head trainer.

Warfield began his training career during his high school and college years, spending summers as an assistant in training camp with the Philadelphia Eagles of the National Football League. He was briefly a member of the training staff at Franklin and Marshall College following his graduation from Indiana University in 1966.

His association with the Cleveland Indians organization began in 1969 when he was the trainer for the Tribe's AA affiliate Waterbury. He moved on to AA Savannah for one year (1970) before becoming the major league trainer in 1971. Well respected among his peers, Warfield was honored as the trainer for the 1981 American League All-Star team.

In addition to his work with the Indians, the 45-year-old Warfield started a Sports Medicine Clinic at Lutheran Medical Center in 1977. More recently, he became involved with the newly formed University Suburban Sports Medicine Center in Cleveland. The Center is geared toward treating sports-related injuries to professional and amateur athletes, as well as the weekend athlete.

Paul worked as an assistant in the Sports Medicine Clinic at Lutheran Medical Center under Indians trainer Jim Warfield from 1977-79. He joined the Cleveland Cavaliers of the National Basketball Association as the head trainer in 1980, and remained in that capacity until 1982. During that time, Paul was the trainer for the East squad in the 1981 NBA All-Star game.

Spicuzza is a native Clevelander, having graduated from St. Joseph High School in 1970, and John Carroll University in 1974. Paul referees high school and college basketball games during the off-season.

ITEMS OF INTEREST

FREE AGENT DRAFT RULE — A BRIEF SUMMARY: Major League and National Association clubs meet once a year for the purpose of drafting free agent player talent . . . Selection of a free agent entitles the club to the exclusive right of negotiation with that player.

Approximate date of draft meetings: Summer (early June).

There are two phases to the draft:

(1) Regular Phase — Clubs choose in inverse order of major league standings, selecting free agents and previous draftees who had not signed contracts but had instead enrolled in four-year colleges and since had either completed his junior year or become 21 years of age. . . Each organization may select only one player for each of its major league, AAA and AA rosters but is not limited to the number of picks for "A" level . . . Minor league clubs select in the same relative order as thier parent clubs.

(2) Secondary Phase — Selection of free agents who had been drafted previously but who had not signed contracts before the negotiation right expired (except those draftees who had enrolled in a four-year college and had since graduated or become 21 years of age — now drafted in Regular Phase) . . . It is possible for a club to redraft a player whom it had been unable to sign after the original selection, but only with the express written consent of that player . . . The order of selection is by lot with the 26 major league clubs divided into two 13 team groups with the groups alternating having first selections in respective drafts.

SUSPENDED GAME RULE: A game terminated by curfew or by a pre-arranged time limit is a suspended game if it has progressed far enough to be an official game (i.e., 4½ or 5 innings) (Rule 4.10).

A game terminated by light failure or malfunction of a mechanical field device under control of the home club is a suspended game anytime after it begins.

Suspended games shall be resumed at the exact point of suspension immediately preceding the next scheduled, single game between the two clubs on the same ground . . . If this is not possible, other provisions for resumption are specified in American League Regulation 4.12. . .

Any LEGAL game called due to weather with the score TIED is a tie game and must be replayed in its entirety.

TRADING REGULATIONS:

SUBSTANTIVE

— The "trading deadline" is now July 31. Waivers are required for any inter- or intra-Major League assignment during the period beginning August 1 and ending at 5pm ET the day after the end of the season. During the other ten months of the year no waivers are needed.

— It will be easier to compute which players need waivers before they may be optioned: if three years (less one month for each previously spent on option) have elapsed since the player *actually reported* to the Major Leagues for the first time, waivers are required. The date of actual physical reporting will be used as the benchmark instead of the date the player was first placed on a club's 40-man roster.

— The procedure for outright assignments to the National Association remains unchanged from the 31st day of each season until August 31; during this period, ordinary waivers are required. However, from September 1 until the 30th day of the following season, special waivers are required:

The club must tender a special waiver request specifying that waivers are requested for the purpose of outright assignment to the National Association. The claiming period, as with other waivers, is three business days, and an assignment pursuant to special waivers must be completed by 2pm ET the seventh day after the waivers are secured.

PROCEDURAL

— AL Only and NL Only waivers have been abolished.

— New waiver periods:

November 11 – 30th day of season
31st day of season – July 31
August 1 – November 10

ROOKIE QUALIFICATIONS: A player shall be considered a rookie unless, during a previous season or seasons, he has (a) exceeded 130 at bats or 50 innings pitched in the major leagues; or (b) accumulated more than 45 days on the active roster of a major league club or clubs during the period of the 25-player limit (excluding time in military service).

SAVE RULE — A relief pitcher shall be credited with a save when he meets all three of the following conditions: 1.) he is the finishing pitcher in a game won by his club; 2.) he is not the winning pitcher; and 3.) he qualifies under one of the following conditions; a.) he enters the game with a lead of no more than three runs and pitches for at least one inning, or b.) he enters the game with the potential tying run either on base, at bat, or on deck (i.e., the potential tying run is either already on base or is one of the first two batsmen he faces), or c.) he pitched effectively for at least three innings.

PLAYER LIMITS — 25 players from opening day through August 31 . . . 40 players from September 1 through end of season . . . Players in military service do not count against the under control list while on active duty. Upon separation from the service, a player will be reinstated to his club's normal player limits after he has completed a 15-day trial period or has participated in a championship game, whichever comes first.
